2022 Citation Award Winner

Congratulations
Linda Christman

Linda first became involved as a volunteer in the arts when her children became involved in Trollwood Performing Arts School in Fargo. Linda spent 15 years volunteering at Trollwood as House Manager. She moved on to become the marketing/ touring director and executive director of the Red River Dance and Performing Company, a regional ballet, tap and jazz dance company headquartered in Fargo, founded by co-artistic directors Eddie and Kathy Gasper. Her involvement included fundraising, marketing, and organizing local, regional, national and international tours for the dance company. The highlight of which was a two-week tour with the dance company of the Soviet Union at the invitation of their government. She brought the passion of working with a non-profit organization with her when she became the director of the Bismarck Art and Galleries Association in Bismarck.

Linda served as the Executive Director of Bismarck Art & Galleries for 22 years. During her tenure at the gallery, she led many fundraisers to not only pay off the mortgage but to finance many enhancements and improvements to the gallery. Linda credits the BAGA Board of Directors for providing support to accomplish the improvements and the artists and volunteers who gave their time and talents to help with the many projects throughout her tenure. Linda was a serious devotee of showcasing the work of talented local, state and regional artists and providing them with an opportunity to grow and promote their work.

Linda is a devoted mother to James, Jaci and Lindsey and is married to Bob. All have been influenced in a positive way by the exposure to the arts because of Linda's involvement in various arts organizations over the past 40+ years.

The Fall Art Exhibition Mission

Bismarck Art & Galleries Association recognizes the contributions art makes to our society. In light of this, BAGA exists to promote art and specifically artists within North Dakota and the Bismarck-Mandan community. Our Fall Art Exhibition is a regional exhibit open to all artists over 18 years of age. Proceeds from the sale of art help fund the artists' efforts and the cost of the show. This is not a fundraising event, its purpose is to provide an annual opportunity for artists to show, share and sell their work.

JURIST

WALTER PIEHL

Walter Piehl, Jr., known for his vibrant, expressionistic Western theme paintings, captures the energy of a rodeo, especially of the horse and rider. His family was involved in rodeo production for 30 years. Piehl, a one-time rodeo rider himself, applies his painting in an Abstract Expressionist style. His drawing on the surface of the painting suggests the motion and action of horse and rider. His work proudly portrays North Dakota's artistic and cultural heritage.

Piehl received his Bachelor's degree in art from Concordia College in Moorhead, Minnesota. He earned both an MA and an MFA from the University of North Dakota in Grand Forks. Piehl has taught at the University of Minnesota, Mayville State College, as well as Valley City University. He is retired from his long career as an art professor at Minot State University where he taught from 1970 - 2017.

His paintings, which demonstrate a unique blend of Western and contemporary artistic styles, have been shown at the Eiteljorg Museum of American Indian and Western Art, the Pro Rodeo Hall of Fame, the Museum of the American Cowboy, Boise State University Gallery, the Art Museum of Missoula and the Yellowstone Art Museum. Among his many honors and awards is the 2008 Enduring Visions Award for his creativity, connection to community and impressive body of work from the Bush Foundation, a private foundation serving Minnesota, North Dakota and South Dakota. Piehl was one of three people selected for the prestigious \$100,000 award and described it as the highlight of his art career.

Artist Statement

"I want [my paintings] to look like they were done in a frenzy of activity and that the paint was applied with great energy... I will always be a painter of Western Americana. The horse culture and the ranching culture were always so important to me—part of my everyday life."

BAGA Upcoming Events

Don't miss the November exhibits featuring artists Rob Anderson and Roxanne Erickson. We'll hold the opening reception Tuesday, November 7, from 5 to 7 pm at the gallery, and the exhibits will remain up through **December 1**.

The gallery will be closed for the Thanksgiving holiday – Thursday, November 23 through Monday, November 28.

This year's December exhibit features artworks by our Member Artists. We sent out a call for poetry about trees, selected three, and asked our artists to use those three poems as inspiration for their works to be featured in "The Artistry of Trees" exhibit. We'll hold the opening reception Tuesday, **December 5**, from 5 to 7 pm at the gallery, and the exhibit will remain up through Friday, **December 22**. However, since art makes such a great gift, the December show will be cash and carry, meaning you may take what you purchase, immediately.

Don't miss the infamous Cookie Walk Saturday, **December 9!** Doors open at 10 am and we'll close at 3 pm or earlier, depending on cookie supply.

Thank-You

Thanks so much to Barb Nechiporenko for assisting in hanging the exhibition.

Thanks to Dakota Awards for their plaque donation. We appreciate Chelly Ontis of Elegant Designs, for her assistance in designing the program.

Thank you to Peggy Puetz for coordinating the food, and to all volunteers who provided food and service during the reception.
